These series of talks and seminars and prayers are designed to empower you by bringing you to a better understanding of our Catholic faith. Eastertide takes us from the resurrection of Jesus, His Ascension to heaven, and through to Pentecost, when His followers were empowered by the Holy Spirit to change the world forever; by testifying to Jesus Christ. It represents man's struggle against evil, liberation, salvation, New life and empowerment by the Holy Spirit to live the Christian way and to spread the Good News.

Following Jesus' Passion, His disciples are confused, afraid and in despair, until Jesus shows up to one then the other then to all after His resurrection.

He tells them to remain in Jerusalem and to pray until they receive Power from above, which is the promise of the Father to all who believe in Jesus; Jesus breaths on them before His Ascension up to Heaven, saying "***Receive the Holy Spirit***". Ten days later the Holy Spirit did indeed come down upon them like tongues of fire. **Pentecost had come!** The followers of Jesus in the upper room broke out with a renewed faith and confidence; **proclaiming the gospel and witnessing to the life, death and resurrection of our Risen Lord, Jesus Christ.** We are all called to live Holy lives and to bear witness to Jesus with the same Spirit! ***God knows we need this more now than ever!***
