

ARCHDIOCESE OF CARDIFF OFFICE OF THE ARCHBISHOP

CORONAVIRUS PRECAUTIONARY MEASURES

In the light of the developing Coronavirus situation, the following precautionary measures are given to parishes as an elaboration on that already circulated by the Bishops Conference of England and Wales:

- The usual handshake at the Sign of Peace **should not be given**. If the Sign of Peace does take place, a bow or cursory nod of the head will be sufficient during this time.
- The offering of the Chalice at Holy Communion is suspended until further notice.
- The Holy Water stoups should be emptied in order to limit the possibility of cross infection.
